Remarks: This has been delayed because 1) the outline required tidying up prior to Otto's review; 2) the imminent loss of Dan required reevaluation of the Branch work program. It appears now that [redacted] can take this on about Oct 1st. All hands feel the job is important (State has been chasing on it since April). The PIM form, with outline, will be along in a few days. However, the time lag is now such that you might want to dispatch the reply attached now.
